### TAFT FORCES CONFIDENT

Roosevelt Leaders Think Colonel  
May Have Acted Too Has-  
tily — Bulletins

CHICAGO, June 20.—With the split between Taft and Roosevelt forces in the Republican National Convention having at last reached the point where a definite threat to bolt had been made, many of the panic-stricken delegates in this city turned desperately early today to the task of stirring up sentiment for a compromise candidate. Gov. Hadley, of Missouri, and Justice Hughes, of the Supreme Court, were names under consideration. Practically all of the talk of a compromise candidate came from the Roosevelt followers. There was evidence early today of a nearly complete disintegration of the Roosevelt forces. They appeared to be fighting desperately.

The Colonel's headquarters were besieged by a mass of his followers and delegates seeking advice.

The conference of last night had convinced the Roosevelt leaders that comparatively few of their delegates would desire the Republican party.

"It looks as though the bottom had dropped out," declared a member of the Roosevelt council today.

Serious dissension exists in the Roosevelt camp.

Many of the leaders were frank in their declaration that the Colonel had acted hastily in a number of matters, in coming to Chicago and in precipitating a bolt from the Committee on Credentials last night.

Roosevelt followers in nearly all of the State delegations were busy with their compromise candidate talk.

The Colonel denies the report that he has freed his delegates of other obligations.

The Roosevelt conservatives are a little fearful as to who the Taft people might receive the proposition of a compromise.

With the Roosevelt movement apparently crumbling, it is believed that the Taft people would stiffen up, although there was talk that some of the Taft people, satisfied with having defeated Roosevelt, would be content to take a man who had some chance of bringing the faction together.

### ROOSEVELTS' ULTIMATUM.

CHICAGO, June 20.—Bulletin 2:30 p. m.—That the American people and the Republican voters of the country already have nominated Theodore Roosevelt for President and that Theodore Roosevelt and his followers will not recognize the National Republican Convention is regular unless Hadley's motion to oust the seventy-eight contested delegates is adopted, was the declaration of Roosevelt and Dixon this afternoon.

11:08 a. m.—An hour before the convention will be called to order, the hall is rapidly filling. A surging mob bars all entrances clamoring for admission to what promises to be the most exciting session of the convention.

11:32 a. m.—There is a rumor afloat in the hall that immediately upon the meeting of the convention at noon adjournment will be taken until 4 o'clock this afternoon. This action is taken on account of delays in reaching an agreement among the members of the various committees. Reports of these committees is the first thing to be taken up by the convention.

11:35 a. m.—The police are having great trouble in handling the crowds jammed about the entrances to the building. Every avenue of entrance to the Coliseum has been jammed with humanity since 10 o'clock. The galleries are already packed but the section of the hall reserved for delegates is as yet practically vacant.

11:44 a. m.—The hall is now jammed to the point of suffocation. Miss Florence Jackson sings "On Moonlight Day," accompanied by the band. Although located in the bandstand at the north end of the building and extreme top, her voice fills the building completely.

11:52 a. m.—Chairman Root has just appeared in the hall after being held up for fifteen minutes at the door because he did not have a badge as well as a ticket.

11:53 a. m.—There was a rumor afloat in the hall when the gathering of the crowd first began that President Taft and Col. Roosevelt had agreed to relinquish their delegates if a compromise candidate could be agreed upon. Now comes report that Col. Roosevelt has officially denied this.

12:04 p. m.—The convention called to order and Dean Walter T. Sumner, of the Cathedral of Sts. Peter and Paul, pronounces the invocation.

12:05 p. m.—Dean Sumner's prayer is an appeal for light and reason. It is very short and applauded by the entire convention.

12:06 p. m.—It is moved and seconded that the convention adjourns until 4 o'clock this afternoon. The motion is carried unanimously.

2:30 p. m.—There must have been a large number of spectators who did not leave the hall during the recess because the hall was so crowded.

### Tired of Tobacco Growing.

A dispatch from Georgetown, O., says a great many farmers in Brown and Clermont counties have abandoned tobacco growing and are going into dairying on an extensive scale.

The dispatch goes on to say that the price of tobacco has been low and the crops have brought the farmers only small returns for their labor. At the same time, farm laborers are scarce and wages are high, and these things have been making tobacco raising more difficult and less profitable. The farmers are finding that dairying is easier work and brings larger returns.

Almost any sort of farm work is easier than raising tobacco. While good tobacco brings good money generally a tobacco crop requires a year or more in the making and marketing, and one crop is scarcely off the farmer's hands before he must begin making preparations for another. And all along the line there is a big lot of hard work connected with the business. It is not surprising that some of the Ohio farmers are quitting tobacco to take up dairying, an industry in which the returns come in day by day and where there are no violent fluctuations in the price of the product.

Kentucky produces approximately one-third of all the tobacco grown in the United States, and our farmers seem to be doing their best to increase the proportion, despite the fact that prices have been a rather uncertain quantity in recent years. It could not hurt much if some of the tobacco growers should imitate the example of their Ohio brethren—and the chances are that it would help.

### Cancer Treatment.

Mrs. Bettie Letcher, of Ewing, Ky., is being treated for cancer of the breast by Dr. W. R. Smith with his celebrated Indian remedy, and she is about cured. Mrs. Letcher visited a number of cancer specialists in the large cities, but they refused to treat her and pronounced the case hopeless. Dr. Smith certainly has the remedy that will cure.

### Origin of Tariff.

Why is the Republican party beset by its present difficulties? This question can be answered with one word—tariff.

The tariff was originally employed to meet the expense of the Civil War. To raise money for this emergency the government decided to tax every article of manufacture. The American manufacturers complained of this and justly. They said the taxes were so heavy as to be ruinous, because they could not compete with imported articles, which did not have to carry this tax. So a plan was devised to protect the American manufacturers. "We will place a tariff on all imported articles," said the government, "which will put you on an even or better footing with your foreign competitors."

Everyone understood that this protective system was to be but temporary, to meet an unusual condition, and that the tariff on imports would be abolished when it became no longer necessary to require the American manufacturers to pay a tax on their manufactures.

But in the meantime the privileged few had discovered that in the tariff lay a means by which they could build up enormous fortunes. These fortunes were pointed to as evidence that the tariff was a good thing. The protectionists fooled the people by making them believe that these fortunes had come from "the foreigners," when the fact was that the fortunes had been wrung from the common people, who had been forced to pay artificially high prices for the things necessary to life.

The protectionists knew in their hearts of this deception, and then and there did fraud and humbug become part and parcel of politics. But the people have learned at last that tariff for protection, that a tariff for any other purpose than to raise sufficient revenue to meet the expense of the government, has no excuse in logic or economics. It needs no argument to convince the average man now that to reduce taxation is to reduce prices.

From the first, the manufacturers have never been satisfied with a reasonable amount of protection, but they keep on demanding more and more. The result is today that the American consumers are today paying dividends on a trust capitalization of thirty-three billion dollars, seventy per cent. of which is water, while American working men and women, particularly those who labor for the most highly protected trusts, are receiving wages as low as \$6, \$7 and \$8 a week.

And this is the reason why the Republican party is beset by its present difficulties.

### Election Law is Constitutional.

The Court of Appeals Tuesday held constitutional the Eaton-Thompson State primary election law passed at the last session of the Legislature. The decision came in the case of Judge John T. Hodge, of Campbell county, against J. Lyman Bryant, clerk of Campbell county, a friendly suit having been filed by Hodge to enjoin Bryant from placing the name of a circuit judge on the ballot in the August primary for the purpose of testing the constitutionality of the law. Judge Hodge was of the opinion that the law conflicted with sections 6, 59 and 60 of the constitution.

The Appellate Court, in its opinion, prepared by Judge Nunn, held that the primary law does not conflict with the Constitution, and that the Legislature has the authority to enact such legislation in order that the voters may have the right to express their will at the polls in making nominations for party candidates.

The court also passed upon the case of Louis Marshall against John B. Dillon, of Kenton county, involving the same question.

## WOMAN'S TRIALS.

The burdens a woman has to carry through life are many but they can be lightened if she will turn to Dr. Pierce's Favorite Prescription. A soothing and strengthening nervine—subduing nervous excitability, prostration, hysteria, hot-flashes and the many symptoms which may be caused by distressing ills peculiar to women. For those "dragging-down" pains or distress and for the derangements and irregularities the "Favorite Prescription" has had many thousands of testimonials from people living in every part of America. Another important thing to every woman is that this medicine is made from efficient medicinal roots, without the use of alcohol, narcotics, or any injurious agents. Full list of ingredients given on bottle-wrapper and sworn to by Dr. R. V. Pierce—who is President of the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y. Every woman is invited to write to this Institute and receive confidential and sound medical advice, entirely without cost from one who makes the diseases of women his specialty.

MRS. MORRELL.

"I can cheerfully recommend your remedies, especially your 'Favorite Prescription,' for all female disorders," writes Mrs. M. M. Morrell, of Blue City, Tenn., Route 2. "During the past seven years I suffered from pains in the back and ovaries. I tried many remedies but found only transient relief until I was persuaded by a friend to try Dr. Pierce's Favorite Prescription. After giving this remedy a fair trial, I found that it would do just what it is recommended to do. I used in all seven bottles. I cannot speak too highly of Dr. Pierce's remedies for all female arrangements."

Dr. Pierce's Pleasant Pellets regulate liver ills.

## RIOT AT TUBE WORKS

**POLICEMEN SEVERELY BEATEN FOLLOWING ATTEMPT TO ARREST AGITATORS.**

Three Thousand Men Are On Strike and Large Force Is Required to Maintain Order.

Pittsburg, Pa.—Following a series of bloody riots at the Second avenue plant of the National tube works, in which scores of persons were seriously injured and policemen beaten insensibly, Police Superintendent Thomas McQuaid has 250 patrolmen surrounding the plant and patrolling the streets near by.

More than 2,000 workmen who had remained at work after the walk-out Sunday night joined the ranks of the strikers.

They were incensed at the clubbing given many of their co-workers after strikers had fired into the stockade in which the company is housing the strikebreakers.

There are 3,000 men out now.

The rioting started before noon when Patrolmen Gallant and Tanney arrested two strikers who were haranguing an excited crowd. When the patrolmen started to put the men in the wagon the mob set upon the bluecoats.

Gallant was tripped. Before he could rise he was kicked into insensibility. One arm was broken and all his front teeth were kicked out. In the battle to protect Gallant Tanney had two ribs broken.

## AWARDS MISS FORNER DAMAGES.

Trenton, N. J.—Tears of grief were quickly turned to smiles of joy by Miss Johanna Alice Forner, of Dresden, Germany, when a jury in the United States court here awarded her \$25,000, the full amount of damages she asked in her betrayal suit against Hans Schumann-Heink, son of the famous contralto soloist. The defendant was not present, nor was he represented by counsel.

## NOTED SONG WRITER DEAD.

Toledo.—Hughie Cannon, 39 years old, song writer, who produced some of the best money-makers in the line of popular song in recent years, died an inmate of the county infirmary here. Cannon was the author of "Goo-Goo Eyes," "Ain't That a Shame?" and "Bill Bailey." It is said he sold the latter song for \$10.

## CONTRACT IS AWARDED.

Frankfort, Ky.—The new mansion for the governor of Kentucky will be ready for occupancy January 1. The Capitol Lumber Co., of this city, was awarded the contract for building the mansion for \$61,875, the next closest bidder was Alt & Nall Construction Co., of Louisville. Their bid was \$62,535.

## STATE HOSPITALS

**Have Been Extensively Improved By the New Board of Control.**

## INSPECTION IS COMPLETED

Three State Hospitals for the Insane are Found to be in Excellent Condition by Members of the Board.

Frankfort, Ky.—Extensive improvements have been made by the Board of Control of Charitable Institutions at the three state hospitals for the insane, as they are now called under the new law effective on June 12. The board has just completed a thorough inspection of all the institutions and reports that it found everything in excellent condition. The health of the patients is given as above the average, while the facilities for caring for them are much better than formerly. Under the new law the per capita of hospital patients was increased from \$150 a year to \$155 and with this increased income the board will be able to make more improvements during the next year.

Hens are now laying eggs for the patients at the Hopkinsville and Lexington hospitals, large henneries having been established. All three hospitals have herds of milch cows of the finest Jersey and Holstein-Friesian breeds. All the milk and butter used at the hospitals is supplied by the institutional cows.

At the Central Hospital, Lakeland, the board has bought the land between the buildings and the L. & N. railroad, paying \$8,000 for the farm. The land is valuable for farming purposes, as it will enable the state to have its own right of way to the railroad. The hospital now uses water from the Louisville Water company's plant, and ample fire protection is afforded in addition to the institution being supplied with fresh and pure water for bathing and drinking. At the Lakeland hospital a new tuberculosis building has just been completed at a cost of several thousand dollars. In this building all the tuberculosis patients will be cared for. A similar building has been erected at Hopkinsville, and another new one is now in course of construction.

The new water tank at the Lakeland hospital is 188 feet high and holds 160,000 gallons of water. It is said to be the highest and largest in the state. Recently a young woman of Lakewood climbed to the top of the tank, stood on the rim and waved an American flag, thereby winning a \$20 wager with a young man who did not believe she would dare make the climb.

At the Institute for the feeble-minded, in Frankfort, a new kitchen and dining-room have been completed at a cost of \$15,000. Two carloads of linoleum have been purchased by the board and will be used to cover the floors in the wards. The linoleum is the kind used on the United States battleships. It is made in Belgium and is said to be the best obtainable. The board is sending out notices of a letting of contracts for groceries, drugs and flour for the use of the institutions for three months, at the July meeting. At the same time the yearly contract for coal will be awarded.

## Law for Protection of Fish and Game.

After a long and hard fight to secure the enactment of an adequate law for the protection of fish and game, Joseph G. Sachs, a well known attorney of Louisville, at last sees the fruition of his work with himself at the head of the State Fish and Game Commission. The appointment was made by Gov. McCreary, but it has been known ever since the act passed the legislature that Mr. Sachs would be chosen to head the commission which will put into operation the drastic game and fish law, which is now operative. J. Quincy Ward, of Paris, who has long been enlisted in the fight for a better game law, was appointed the first state fish and game warden at a salary of \$2,400 a year.

## Summer Farm Schools.

The extension department of the College of Agriculture at State University is making arrangements for holding one-week agricultural schools in different parts of the state during the summer months. Specialists will be sent from the college to deliver lectures illustrated with stereopticon views on the following subjects: Horticulture, dairying, domestic science, poultry, soils and crops, feeding of animals and many other related subjects. The evening session of each day will be devoted to popular lectures, and the stereopticon will be used to demonstrate these lectures. Prof. T. R. Bryant, who has charge of the extension work, is arranging for schools at Brandenburg and Cloverport.

## Board of Forestry Will Organize.

The new Board of Forestry will organize shortly and elect a State Forester, who will draw a salary of \$2,500 a year and will have charge of the preservation of the trees of the state both from fire and disease. J. Quincy Ward, of Paris, who was named as Fish and Game Commissioner, is the only member of the commission who will draw a salary. The others will serve without compensation. Mr. Ward will draw \$2,500 a year, but the salary will be paid out of fees collected from hunters.

## GIRL HELD IN FRONT OF SHERIFF

As Kentucky Policeman Fires Three Shots at Him, Causing Serious Wounds.

Lexington, Ky.—Sheriff Dan W. Scott, capturer of "King McNamara," was fired upon by Policeman Benjamin R. McCann and so seriously wounded that he may lose his left arm, and there is even fear of graver results.

In the evening of election day last November Policeman McCann was pounced upon by Sheriff Scott as he stood near the closed polls in the Merino street precinct. Scott wrested McCann's club from his hands, beat him considerably and took him to jail.

McCann in court was exonerated of the charges of interference with the election that was made by Scott, and he brought suit for \$10,000 damages against him. When McCann, who was walking east on Main street, saw Scott coming toward him, he is alleged to have drawn his revolver from his pocket and carried it in his hand at his side until he was within five feet of Scott, when he is said to have called out: "Get ready, you coward."

Scott was unarmed, but he grabbed Miss Lillian Unser, a clerk, who was on her way to work in a dry goods store, and put her between him and McCann, using her as a shield.

## VAN SANT'S ELECTION

As Chairman Ratified By New Kentucky State Committees.

Frankfort, Ky.—The new State Central and State Executive Committees of the Democratic party of Kentucky were organized here and the election of Rufus H. Van Sant, of Ashland, as Chairman, was ratified. Robert G. Phillips, of Elizabethtown, was re-elected Secretary.

A committee, comprising Chairman Van Sant; W. B. White, of Mt. Sterling; J. W. Gayle, of Owenton, and W. P. McDonough, of Louisville, was appointed to determine the feasibility of opening and maintaining permanent headquarters for the Democratic party in this state. The committee members are from the State Central Committee.

The committee determined upon the names of Judge S. W. Hager, of Owensboro; James P. Edwards, of Louisville; L. C. Littrell, of Owenton; J. M. Richardson, of Glasgow, and R. L. Brown, of Somerset, to be presented to Governor McCreary, from which the Governor will select the Democratic State Election Commissioner.

It is generally conceded that Judge Hager will be appointed.

## WARD HEADLEY IS DEAD.

Louisville, Ky.—Ward Headley, a prominent lawyer of Princeton, Ky., and a cousin of Mayor W. O. Head, of Louisville, died at the Norton Memorial Infirmary here, following a long illness. He was a close friend of Senator-elect Ollie James, and it is generally felt that he would be his successor in congress as a representative from the First Kentucky Congressional district. He was a presidential elector for former President Cleveland in 1892, and was an elector from the state at large in 1908. Mr. Headley was the author of the statutes for the protection and in the interest of the tobacco growers of Kentucky.

## DAUGHTERS OF AMERICA.

Mammoth Cave, Ky.—The ninth annual meeting of the Kentucky council Daughters of America, closed here with 125 delegates in attendance. Among the national officers who took part in the session were Mrs. Marie J. Connor, of Baltimore, and Mrs. M. L. Dunn and Mrs. W. Wosley, both of Nashville.

Mrs. Minnie McNabb, of Louisville state counselor, presided at the sessions. Mrs. Emma Whitney, of Newport, secretary, and Mrs. G. W. Orrill of Louisville, treasurer, were in attendance. The next annual convention will be held at Middlesboro, beginning the second Monday in June.

## CONVICT WAS KILLED.

Frankfort, Ky.—Noah Taylor, a life term convict in the Frankfort penitentiary, was shot and killed in one of the shoe shops at the prison, by B. M. Young, a guard. Two shots were fired by the guard, one of which took effect in the convict's heart, killing him instantly. The guard is badly hurt and is in the hospital, as a result of a blow with a hammer.

## PENSIONS UNDER NEW LAW.

Lexington, Ky.—County Judge J. Percy Scott approved the application of twenty-one applicants for pensions under the new law granting pensions to Confederate veterans and their widows. There were fifty-one applications filed and as Judge Scott on Monday indorsed twenty-one, and recommended the same number, there are nine remaining to be elected on.

## REBUILDING COUNTY ROADS.

Whitesburg, Ky.—It is said here that the Lexington & Eastern Railroad Company will start to work rebuilding the county roadways, much of which were taken by the grade work of the road last year. This work is to be started July 1 and will be rushed to completion. In many places in Letcher county the roads were rendered impassable, resulting in suits against the railroad company for \$500,000 damage.

## TRUANT OFFICER WINS BOYS

Goes at Them in an Entirely New Way and They All Think Him the Best Ever.

Phoenixville, Pa.—One of the claims made with much pride by the local school authorities is the almost complete absence of truancy, and those who know give much of the intelligent activity of the town's truant officer, William S. Armstrong, and the popularity he has won among pupils. There is probably not another truant officer in the state who has such a record of achievement in his line as has Officer Armstrong, and for five years he has worked with singular effectiveness.

Truancy used to be much in vogue among Phoenixville schoolboys, and the new truant officer started in to break up the growing practice. Speaking of his early experience, and describing his methods, Officer Armstrong said: "I did not go about my work in the 'hammer-and-tongs' method. I went to work quietly, got acquainted with the habitual truants, visited their homes and sought out their haunts."

"I talked with the parents, and tried to arouse in them some interest in their boys' school work, and asked them to give some sign of interest and encouragement to the boys."

"I learned the location of all the favorite swimming holes, the nut groves and the most popular resorts where boys would go to play or hide. I visited the swimming holes, not only on school days, when necessity demanded it, but on Saturday and holidays for the purpose of joining them in swimming and getting better acquainted. I have grown to know all of the 'live wires' among them intimately, and I think they are my friends."

## CZAR'S INCOME FROM VODKA

Russia's Ruler Is Given \$400,000,000 Annually by His Subjects For Drink.

St. Petersburg.—Public opinion, strongly expressed in the duma and the press, has at last aroused the government to take steps to fight the vodka fiend. A home for inebriates will be started and an institute for anti-alcoholic research will follow.

Over 80 per cent. of the city population of Russia become confirmed vodka fiends before they are twenty-five years old, while 45 per cent. of the girls fall into the habit between the ages of seven and twelve. Recruits are driven to drink through insufficient food and cold barracks, because four-fifths of the coal and meat allotted to them are snapped up by officers and purveyors before it reaches the stores.

Vodka has been a crown monopoly since the sixteenth century. The czar has now 30,000 vodka saloons and controls 4,000 distilleries, on which he realizes \$400,000,000 a year. While the government spends only 3½ cents per head on education, each Russian citizen carries between 36 cents and \$7 a year into the czar's saloons. The vodka spirit is distilled from potatoes and cereals.

## 85,000 PIECES PUT IN TABLE

Part of a Pennsylvania Prison Exhibit Is Much Admired—Made by a Convict.

Pittsburg, Pa.—An exhibition of the work of prisoners of the western Pennsylvania penitentiary was opened recently. One article which attracted widespread comment is a table made of 85,000 pieces of wood. The surface of the table contains ten Masonic devices and insigulas. Thousands of visitors attending the fifty-ninth annual Pennsylvania state convocation of the Knights Templar admired the exhibition. A well-known judge visited the exhibition.

"Didn't so and so make this table?" he asked.

When asked how he knew he said he had the counterpart of it. The judge had sentenced the talented prisoner to a life term for murder and later had it commuted to twenty years.

## RATS MAKE NEST OF MONEY

Firemen After a Blaze Discover \$50 in Ceiling of New York House.

New York.—Fire Commissioner Johnson has sent to the treasury department for redemption \$50 in bills of the denominations of one, two and five dollars, which firemen discovered hidden in the ceiling of a house in Pearl street after a fire. Rats had formed a nest of the money and all of the bills were chewed by the rodents and otherwise mutilated.

The money, after it is redeemed by the treasury department, will be turned over to the firemen's pension fund unless it is claimed by Jacob Meyer, who owns the house.

## Bicycle With Wings Flies.

Paris.—France desires to promote the science of flying without motor attachment.

At Juvisy recently the bicyclist Lavalade by the use of a bicycle which had been converted into an "aviette" by adding a sort of wing, "flew" three feet seven inches, according to the official announcement.

He cleared a cord stretched from the ground at a height of eight inches, but most of the spectators were inclined to designate the so-called "flight" a jump.

The experiment was preliminary to a contest here for a prize of \$2,000 offered for an "aviette" flying 33 feet.

## KENTUCKY EDITORS

CONFER AT BIG MID-SUMMER GATHERING AT OLYMPIA SPRINGS.

E. D. Shinnick New President—Other Officers Elected—Combine Business With Pleasure.

Olympia Springs, Ky.—The members of the Kentucky Press Association held their annual mid-summer meeting here last week. Business was combined with pleasure, and a most enjoyable session was held. Thirty papers were represented.

The newly-elected officers are: President—Edward D. Shinnick, Shelbyville Record.

Vice President—John S. Lawrence, Cadiz Record.

Secretary—John C. Alcock, Jefferson-town Jeffersonian.

Chairman Executive Committee—J. R. Lemon, Mayfield Messenger.

The new members of the executive committee are:

J. S. Stears, Nicholasville; J. B. Gaines, Bowling Green; Robert J. McBride, Jr., Louisville, and John J. Barry, New Haven.

## Gen. Haldeman Thanked.

The following resolution of thanks was given the retiring president, Gen. W. B. Haldeman, by the executive committee of the association:

"We, the members of the executive committee of the Kentucky Press Association for the past year, desire to extend to our worthy retiring president, Gen. W. B. Haldeman, our most sincere thanks for the many courtesies shown us during our several meetings this year in Louisville."

## Charles E. McCormick.

The resolutions adopted upon the death of Charles Ellsworth McCormick, who for many years was publisher of the Bullitt Pioneer and a member of the Kentucky Press association, follows:

"Whereas, Since the last summer meeting of this association it has pleased an all-wise Providence to call from his earthly sphere of usefulness Charles Ellsworth McCormick, for many years publisher and editor of the Bullitt Pioneer and an honored and useful member of this association, therefore

"Be it Resolved by the Kentucky Press Association, That in the death of Mr. McCormick, which occurred at his home in Bullitt last August, this association has lost an honored, respected and useful member, whose demise we sincerely regret and whose absence we deeply deplore.

"To his family and friends the sympathy of this association is extended and as a mark of respect to his memory these resolutions are ordered to be spread upon the minutes of this meeting and a copy thereof forwarded to his surviving wife and family at their home at Shepherdsville, Ky."

At the quarterly meeting of the Eighth District Publishers' league the following officers were elected: Michael O'Sullivan, Shelbyville, president; Jesse Anderson, Lawrenceburg vice president, and D. M. Sutton, Harbursburg, secretary and treasurer.

## Gen. Haldeman's Remarks.

Gen. W. B. Haldeman, who was on the program for an address as president, said that he did not believe in taking up the members' time by a long speech. Instead, he made a short talk, in which he discussed various points of newspaper work. He sought to impress upon the minds of the members that in his belief a paper could attain better results through saying a kind word than by "knocking."

## Olympia Springs in Favor.

Through Col. Loving W. Gaines, of Trenton, the management of Olympia Springs invited the association to come back next year or whenever they feel like it. Col. Gaines said that it was necessary to invoke the aid of rhetoric or call upon the muses to sing the praises of beautiful Olympian Springs. He said that he was sure that he voiced the sentiment of every member when he said that he was glad that they had come and happy that all could return.

## TAX SUITS ARE FILED.

Elizabethtown, Ky.—Attorney M. P. Rehborn, of Lexington, representing R. J. Mahoney, state revenue agent, has filed twenty-one tax suits in the county court against Hardin county property owners. The suits are for alleged unlisted property. A number of back tax suits have been settled.

## HARDIN SCHOOL CENSUS.

Elizabethtown, Ky.—The Hardin county school census, which has just been completed, shows 6,627 white and 592 colored children between the ages of 6 and 18 years. The census shows a decrease of seven colored children and thirty white children, as compared with the census of 1911.

## REAL KENTUCKY HOSPITALITY

Frankfort, Ky.—The Kentucky delegation will leave for Baltimore June 22 to attend the Democratic convention. In order to dispense Kentucky hospitality in Maryland as it would be dispensed in Kentucky, John C. Mayo, national committeeman from Kentucky, has rented a residence in Baltimore, at which Gov. McCreary, Justus Goebel, Percy Haley, J. N. Camden and Rufus Van Sant will be guests of Mr. Mayo during the convention.

## SEEK ASTOR WEALTH

Heir to \$100,000,000 Receives Letters From Many Persons.

Women Propose Marriage and Men Ask Him to Become Partners in Business—Others Make Odd Requests.

New York.—Vincent Astor's latest trouble is a deluge of letters from persons anxious to advise him as to the best manner of spending his \$100,000,000 inheritance. Many of the letters are from women, telling of their great love and conveying offers of marriage.

Old women and young women, brazen and demure, thin and fat ones, pretty and ugly, have taken their pens in hand, not without hope of gain. Some have pretended to bespeak Mr. Astor's interest in behalf of causes other than purely personal ones, but most of them have been frankly smitten in the desire to call the young man's attention to certain persons that he otherwise might overlook.

Some of the writers have waited in front of the Astor estate offices in Twenty-sixth street for a glimpse of the boy. Most have mistaken the handsome "Nick" Biddle for the object of their curiosity, much to Biddle's embarrassment. He is an executor of the Astor estate, is about thirty-four and looks younger.

And it isn't only through the medium of letters that women have pressed their suits. The telephone has been kept pretty busy, both at the offices and at the Fifth avenue house, with girlish voices whose owners were anxious to have opportunities to meet the heir of millions. The reasons assigned were as many as the letters contained.

Some of the writers want the young man to "do something worthy of his name." There have been suggestions that he finance the suffragette cause. Others want him to use his fortune to buy up breweries and distilleries and put them out of business for the sake of promoting the cause of prohibition. Comparatively few of the letters written by women are from inventors. This class of communications almost always bore a man's signature.

Things suggested for a worthy use of the money ranged from patent bung-starters to methods of bridging Behring strait. Included in the appeals are those of professional beggars. Churches, schools and libraries divide honors as to the numbers of their letters with propositions from business houses that offer him interests for ever so small a sum.

Most of these letters, of course, need no answer. Those from women on subjects of the heart are entirely ignored. Many of the latter come accompanied by photographs. Two of the fair correspondents sent as their own postcard, pictures of Lillian Russell, from which they had forgotten to scratch the name.

## TO FORM FLAG ASSOCIATION

Patriots Will Erect Monument and All Will Be Asked to Fight Anarchistic Principles.

Spokane, Wash.—The Grand Army of the Republic, the Spanish War Veterans, American Flag association, Daughters of the American Revolution and other local members of patriotic organizations will organize a flag association in Spokane in which every national society will be a member. They also will fight anarchistic organizations and teach all people and societies to respect the flag. A proposition to erect a big monument on the high bluff in Summer avenue between Washington and Bernard streets, to be called "Flag Day" monument, is being considered.

Downtown buildings will be decorated and every national society in the city will be asked to take part of a parade and program.

## COLUMBUS BORN IN SPAIN?

Village Near Madrid Is Said to Be the America Discoverer's Birthplace.

London.—The Madrid correspondent of the Daily Telegraph telegraphs: "According to a provincial newspaper, the Correo Gallego, which quotes the eminent Galician historian, Senor Garcia de la Riega, who has devoted many years to studying data relating to the birthplace of the discoverer of America, it now appears that Columbus certainly was not born in Genoa, as has always been affirmed."

"Riega says he possesses documents proving that Columbus was born at Porto Santo, a small village near here."

"Riega is a person of considerable authority and formerly was in the colonial office."

## WEAPONS ARE FROM 1000 B. C.

Austrian Explorers of Imperial Museum Make Rich Haul in Karst Mountains.

Vienna.—An exploration by members of the Imperial museum into the cavern of St. Kanzian in the Karst mountains has yielded more than 1,000 bronze implements such as swords, axes, lance heads and vessels supposed to date from 1000 B. C. They were all found at the bottom of a pit 150 feet deep within the cavern. It is suggested they were thrown in there as a sacrifice to a subterranean deity.

#### Harness Company Incorporated.

The Bourbon Horse Goods Company, of Paris, filed articles of incorporation with the Secretary of State, at Frankfort, this week.

The new concern, which is composed of Messrs. J. W. Grinnan, W. Roy Collins and another well-known Paris citizen, the latter a silent member, has bought the harness and repair business of Grinnan & Collins, in the Picklin building, on Main street, opposite the court house.

The new business will be greatly improved, several new lines of goods added, new fixtures will be installed, the building remodeled, and the store made an up-to-date headquarters for farmers and horsemen.

#### Massie Lot Sale.

Master Commissioner C. A. McMillan sold eleven building lots and the home place "Hideaway" at the corner of Scott Avenue and Vine street, belonging to the estate of the late Mrs. W. W. Massie yesterday morning. The home place was bought by Mr. W. C. Massie, for \$75,000, and the entire offering brought an aggregate of \$12,070, the eleven lots selling for \$4,570, an average of about \$415.50; each. Six of the lots adjoining the home place were purchased by Mr. Massie. The sale was conducted by auctioneers M. F. Kenney and George D. Speakes.

The sale resulted as follows: Lot No. 1 to W. C. Massie, \$890; Lot No. 2 to same \$925; Lot No. 3, same, \$350; Lot No. 4, same, \$400; Lot No. 5, same, \$350; Lot No. 6, same, \$320; Lot No. 7, Timothy Shannon, \$300; Lot No. 8, Timothy Shannon, \$240; Lot No. 9, Jake Elvove, \$245; Lot No. 10, E. Purchase a ticket for twenty-five cents which will entitle you to the entire bulletin service until the final adjournment of the convention.

Mr. Porter will also furnish a complete account of the proceedings of the Democratic National Convention, which meets in Baltimore next Tuesday.

#### A New Pet.

Mr. J. U. Boardman, the well-known liveryman of this city, received by express Monday a two-months old gray coyote. The animal was sent to him by Dr. J. Ed Ray, from Sugar City, Col., and has proven quite a curiosity. The coyote is small and aside from its color greatly resembles a fox. While it has only been in captivity a short time it is gentle and can be handled with safety. Mr. Boardman has become greatly attached to his new pet and has set aside a large box stall in his livery stable for the animal, and has put a fine Shepherd puppy with it to keep it company.

#### DEATHS.

##### PLEMONDS.

A telegram received yesterday announced the death of Mr. George Plemonds, formerly of this city which occurred in Cisco, Ga., on Wednesday, June 19. Mr. Plemonds left this city about two months ago for the South for the benefit of his health and his death was due to a complication of diseases. While here he was in the employ of the Paris Gas & Electric Co. He has been in ill health for about five years. Besides his wife, who was before marriage, Miss Ollie Fredrick, of this city, he is survived by two children, John aged 7 years and one daughter about 3 years of age. The funeral was held at Cisco, Ga., yesterday.

#### MATRIMONIAL.

##### ENGAGEMENT ANNOUNCED.

The engagement of Mr. Houston Rion and Miss Ethel Lair both of this city, was announced Tuesday. The announcement is one of interest owing to the prominence of the two young people.

The bride-elect is one of the loveliest young ladies of Paris, possessing an amiable disposition and many charming traits of character. She is the daughter of Mrs. Mollie Lair, a graduate of the Bourbon Female College and is a favorite with a large circle of friends.

The to-be-groom is popular in business circles as well as in church and Christian Endeavor work. He has long held a responsible position with the Louisville & Nashville railroad company and is now employed as chief clerk in the trainmaster's office.

The marriage will be celebrated on July ninth, at the residence of the bride's mother on Fifteenth street. Immediately after the ceremony the couple will leave on their honeymoon trip, which will include a visit to the groom's sister, Mrs. William McPherson, at Whitefish, Montana, and to his brother, Dr. Croxton Rion, at Seattle.

##### NAPIER—GUTT.

The marriage of Miss Nora Mae Napier, of this city, to Mr. Randolph J. Gutt, of Cincinnati, O., was celebrated Wednesday morning at 8:30 o'clock, at the Church of the Annunciation, the Rev. Father O'Dwyer officiating.

The ceremony was said in the presence of a large number of friends and relatives of the contracting parties. The only attendants were Miss Birdie Napier, a sister of the bride and Mr. Edward Gutt, of Cincinnati, a brother of the groom.

Miss Nellie Schwartz presided at the organ and rendered several beautiful selections while the guests arrived. At the appointed time the bride's maid and the best man entered and were followed by the bride and groom. At the altar they were met by Father O'Dwyer, who said the ceremony, which was immediately followed by the nuptial mass.

The bride's maid wore a handsome gown of white and carried a bouquet of pink flowers. The bride was handsome in a white suit with shoes and hat to match and carried a bouquet of white roses.

The bride, who is the daughter of Mr. and Mrs. Jesse Napier, of this city, is a beautiful and attractive young woman. She is very popular with a large circle of friends. Mr. Gutt is a popular young business man of Cincinnati.

After the ceremony the bridal couple and a number of their intimate friends and relatives were given an elaborate dinner at the home of the bride's parents on North Main street. Those present were Mrs. Joe Everett, Cincinnati; Mr. and Mrs. William Baim and son, Louis, Cincinnati; Mrs. Nan Monahan, Cincinnati; Miss Mae Mackey, Maysville, Miss Tommy Nichols, Lexington, Miss Julia Mulcahy, Lexington, Mrs. James George, Carlisle, Miss Rosina Elder and Rev. Father O'Dwyer.

Mr. and Mrs. Gutt left Wednesday night for an extended trip in the East when they will return to Cincinnati, where they will make their future home.

The Journal of Dayton, O., of June 6 says: "The Linham street home of Mr. and Mrs. J. H. Morgan was the scene of a quiet wedding Tuesday, June 4, when Miss Mary Moore became the bride of Francis L. Morgan. The hour set for the ceremony was 7:45 p. m. and the guests assembled just previous to that time. "The bride wore a gown of white satin fashioned with white lace, the bridal bouquet was of white carnations. "The bridesmaid, Miss Sylvia Muselman, wore a gown of blue silk with over lace.

"Mr. Harry Rinehart, friend of the groom, attended as best man. The bride was a pretty Kentucky girl, daughter of Mrs. M. A. Moore, of Paris, Kentucky, where her many friends will be interested as well as Dayton friends.

"Wednesday evening, June 5th, at the home of Mrs. Ora Christman, sister of the groom, a handsomely decorated supper was given in honor of the bride and groom. The happy couple will return to their home waiting for them on Coats Avenue, in this city."

Sterling will be in the Fair Grounds and is located close to the center of the town, with concrete sidewalks and other conveniences.

#### WILL AGAIN VISIT PARIS.

Queen City Boosters Here on April 26 Will Come Again on Next Tuesday.

Advises received from Cincinnati are to the effect that all arrangements are completed for the trip to Paris by the party of one hundred members of the Cincinnati Commercial Association on next Tuesday, June 25th.

It will be remembered that the rain storm on April 26th interfered with the program which had been arranged in this city for the reception of the Cincinnati Boosters, who were returning from a five-day trip through Tennessee and Kentucky. On account of this fact the Commercial Association of Cincinnati has arranged to make a one day trade trip to four of the towns in Kentucky, being: Falmouth, Cynthiana, Winchester and Paris.

The special train will arrive in Paris at 2:45 p. m. and will remain until 4:15 p. m. A musical program will be furnished by John C. Weber and his famous band. The party will travel in a special train including a baggage car in which the commissary department will be located, and three coaches. The train will leave the Grand Central depot in Cincinnati at 7:25 a. m. and is scheduled to return at 6:55 p. m. That the Cincinnati business men are anxious to meet the business men of Paris is clearly shown by their interest in returning at this date, following the disappointing trip some two months ago. Had the rain on April 26 not interfered with the plans, there would no doubt have been a large representation of the business men at the depot to welcome the visitors.

Now that they have decided to make the return trip it is up to the Paris people to extend them a hearty welcome which was planned for the boosters before. It has been suggested that a delegation of business men go to Cynthiana to meet the Queen City boosters and return to this city with them.

It would be well for every business man in the city who can arrange to do so make the trip or be at the depot when the delegation arrives in Paris next Tuesday afternoon. The Commercial Club will take hold of the matter and push it with an energy that will result in one of the most hospitable welcomes ever accorded a visiting crowd of business men.

A letter to the News from genial Ed Nippert, who is a member of the Cincinnati Boosters Club, says: "We are coming Tuesday ten thousand strong, come down to Cynthiana with Committee to meet us." The club will travel on a special and only make four stops. Falmouth, Cynthiana, Paris and Winchester. Weber's band will accompany them. Mr. Nippert is representing the Union Grain & Hay Co., holding a very responsible position and is considered one of the best in his line in Cincinnati.

#### The Harbeson Concert.

A large and representative audience filled the Methodist church Tuesday evening to hear the musical favorites, Miss Mary Dan Harbeson and her brother, Mr. Robert Harbeson; and the hold which they already had upon the hearts of the Paris people was strengthened by the faultless manner in which they rendered their pleasing program.

The burst of applause that greeted them upon their appearance was a testimonial of the esteem in which they were already regarded, and of the pleasure experienced at their return.

The singers were at their very best upon this occasion, and it would be difficult to say whether they were most enjoyed as soloists or in the duets in which their beautifully modulated voices so harmoniously blended.

Miss Harbeson, who is so strikingly handsome, and possesses a gracious personality, was never more gracious, and never appeared to a better advantage. She was charming in all her selections, but it was in "April Morn" that her glorious voice was heard in the perfection of its wonderful power and beauty.

She is so unaffected, so easy and graceful in her manner, and her voice and articulation so full of expression, that it would be difficult to find a singer who so completely satisfies and fascinates an audience. She is truly the "queen of song," and the musical idol of the Paris people.

Mr. Harbeson's rich, clear baritone voice, distinct enunciation, and power of expression, have easily made him a great favorite here; and the sympathy and devotion which so manifestly exist between him and his sister add much to the attractiveness of their entertainments.

No evening of song, however, would be a success without an accompanist who thoroughly understands the instrumental part of the performance, and Miss Frances Johnson is certainly an artist in that capacity. The skill, ease and expression with which she accompanied the singers on this occasion inspired them with confidence; and her playing upon the sweet-toned Weber contributed a great deal to the pleasure of the entertainment.

## Narrow Escape.

Owen Gibson, a rural mail carrier, had a narrow escape from death at the Louisville & Nashville crossing on the Peacock pike, about one mile from Paris. Mr. Gibson was driving across the track when he observed a south-bound work train not more than fifty feet away, coming toward him at a very rapid rate of speed. Stopping his horse he backed the vehicle off the track just as the train cleared the crossing. In backing the horse the vehicle was overturned and Gibson was thrown out, but luckily escaped injury.

## Negro Wanted in Scott County.

James Grimes, in jail here serving a sentence is wanted at Georgetown where he is under indictment in the Scott Circuit Court for assault and battery. Grimes was arrested by Patrolman Fred Link last Friday night at the old Midland depot in this city. His description compared closely with that sent out by the Georgetown police and the officials of that county were notified that a man answering the description was held in custody here. Later the local authorities were notified to hold the man and they are expected here today to return him to Georgetown.

Yesterday afternoon Deputy Sheriff M. Fleming, of Georgetown, came to Paris and returned to that city with Grimes, who, he said, had been a fugitive for more than a year. Grimes is wanted for assaulting a woman at Stamping Ground, Scott county.

## Withdraws from Theatrical Firm

Mr. R. S. Porter, this week severed his connection with the firm of Shea, Porter & Co., lessees of the Grand Opera House in this city, and managers of the Comet theatre. Mr. Porter is one of the best posted theatrical men in the country, being intimately acquainted with a majority of the leading men in the profession, and has for a number of years been engaged in the theatrical business in this city. Recently Mr. Porter has been identified with the local firm as manager of the two amusement establishments and has through his untiring efforts made a success of the business. Mr. Porter has decided what business he will engage in.

## Rainy Weather Prevents Games.

Rainy weather prevented the games scheduled with the Orphans here Tuesday and Wednesday. Yesterday afternoon the locals met a double defeat at the hands of the Pioneers, the first game resulting 7 to 6, and the last 9 to 0. The Bourbonites will return home this morning for a game with the Orphans, and tomorrow the Lawmakers will be the attraction at White Park. The Orphans will make their first appearance here today under the Mt. Sterling standard, and will doubtless prove an interesting opponent for the local aggregation. The game will be called at 3:15 o'clock.

## Grand Jury Adjourns After Short Session.

The grand jury sitting at the June term of the Bourbon Circuit court adjourned Wednesday afternoon after one of the shortest sessions in the history of the court and returned the smallest number of indictments of any of the grand juries of this county in the past fifteen years.

The jury after being in session since Monday returned nine indictments. In three cases brought before the body they dismissed them without making any investigation. Bench warrants for those against whom indictments were returned, have been issued and are in the hands of the sheriff.

In the written report read to the court the jury state that it had made a visit to the county institutions and found each of them to be in excellent condition and the affairs being conducted in a manner that reflected great credit upon the officers who had them in charge.

There has been little business transacted in court. The case of the East Tennessee Telephone Co., against the Paris Gas & Electric Co., an action to compel the defendant company to remove the electric wires from the poles of the telephone company was finally submitted following the arguments but Judge Stout has not passed upon it.

Two cases are assigned for trial today, that of John Snyder vs. The L. & N. R. R. and H. E. Barnes against the Kentucky Traction & Terminal Co. Both suits for damage alleged to have been sustained by the plaintiffs through the negligence of the defendant companies or their employees.

## CONFIRMED PROOF.

Residents of Paris Cannot Doubt  
What Has Been Twice Proved.

In gratitude for relief from aches and pains of bad backs—from distressing kidney ills—thousands have publicly recommended Doan's Kidney Pills. Residents of Paris who so testified years ago, now say the results were permanent. This testimony doubly proves the worth of Doan's Kidney Pills to Paris sufferers.

Mrs. J. T. Martin, Pleasant and Eleventh streets, Paris, Ky., says: "All I have ever said praising Doan's Kidney Pills was entirely correct, and I confirm my former public endorsement of this remedy. It permanently cured me of kidney trouble. I suffered quite severely from pains across the small of my back and in my kidneys. The trouble alarmed me and I tried many medicines. I did not get relief, however, until I procured Doan's Kidney Pills at Wilson's drug store. They improved my condition in every way, and I can certainly say that they are a preparation of merit."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

### Kentucky Educational Association.

The Kentucky Educational Association has existed forty-one years with about eight hundred as its highest membership record. This year the members have set the slogan at 2,500, and have almost reached it. During these next few days before the meeting they will endeavor to reach several thousand.

Louisville is preparing to give the grandest floral parade in honor of the meeting ever witnessed in America. This parade will be on Tuesday afternoon, June 25th, and will be five miles long.

A great meeting of school trustees will be held on Tuesday afternoon, at which Judge Henry S. Barker, of State University, will address the school trustees. A number of trustees will make addresses. Five hundred trustees are expected to be present.

President David Starr Jordan, of California, Dr. Nowell Dwight Hillis, of Brooklyn, President Charles E. Thwing, of Cleveland, and Dr. P. P. Claxton, of Washington, are National speakers, and it is seldom that a State meeting can secure them.

Each congressional district will have headquarters at some hotel, and the convention hall of the Association will be divided off into sections for each delegation to sit, with banners above them showing which district has a good delegation.

### DR. DOLLE'S MESSAGE TO MEN YOU CAN BE CURED BY

DR. C. L. DOLLE.

Why Take Treatment That Is Doing You No Good, When a Few Days Under the Care of Dr. Dolle Will Show You How Easy It Is to Cure These Diseases When the Proper Treatment Is Administered.

Have you treated for months and years, and been disappointed until you think that you cannot be cured? You, no doubt, all this time have been treated by inexperienced doctors who had neither sufficient knowledge nor experience to know how to cure you.

These are the diseases of which I have cured so many, quickly giving me the reputation for cures of which I am so proud.

Blood Diseases, Skin Diseases  
I will give you treatment that will in a few days cure all rash, spots and every sign and symptom. My treatment gets the poison out of the system instead of driving it in like ordinary treatments. I cure blood diseases and skin diseases so they can't come back.

Varicose, causing aching or pain in groin or back, Nervousness, Weakness, Loss of Vitality, Lack of Ambition—  
My one-treatment cure is what you should have and what you will have to have to be cured right. Only one visit is required. I do no cutting and you suffer no pain nor trouble. All signs disappear in a few days.

Nervous Troubles, Lost Vitality  
My combined treatment for these troubles so common among those who have become weak and worn out, who have caused it by folly, dissipation and excesses, is remarkably good. No one believes how quickly it benefits until they have taken it. It overcomes weakness, nervousness, pain in back, lack of energy, ambition and strength—it's just the treatment I have found so effective in treating such diseases.

Kidney and Bladder Troubles  
are scientifically cured by me. My methods immediately benefit you, and the majority of cases I cure come from physicians and specialists who failed.

Piles, Fistulae—I can cure you so quickly and easily that you will be surprised. I will give you just the result and cure you are looking for without a surgical operation.

Acute Diseases—Itching, Burning, strong drug store remedies seldom cure. My treatment stops every symptom and cures in a few days. It is scientific—that's the only sure way to be cured so it will not come back.

You can take my Treatment without a cent and pay me after I cure you. I know that I can give you new life, new hope, and can restore you back to health and happiness. I know that every man who pays after I have eliminated every trace of disease from his system. Microscopic and analytical urinalysis FREE. I have written a book that ought to be in the hands of every suffering man in this country. I will send you a copy, free, if you will write me at once the disease for which you desire treatment. Hours, 9 to 4, Sundays, 9 to 1 p.m. Evenings, 7 to 9 p.m. Monday, Wednesday and Saturday nights.

### Air Cured Seed Non-Combustible

The stripping of the bluegrass seed and getting it into sacks is by no means the end of what is known as the harvesting of the crop, though, of course, it is by far the most important part of the process, for before the seed is stripped, many things may happen to prevent its gathering—a rainy spell about harvesting time, for instance, may prevent the gathering of the seed, or the growth of weed in the pastures may make the gathering impossible. But after the seed is all stripped it must be "cured" or dried, and the manner of doing this is one of the most interesting features of the bluegrass harvest. When first gathered, the seed is more or less green and sappy, and in the curing or drying process it loses from 25 to 40 per cent. of its weight according to its condition of ripeness at the time of gathering, and the amount of weeds and grass mixed with it. Dealers pay about 35 to 45 per cent. more for the cured seed than for seed delivered directly from the stripper.

Until about fifteen years ago it was thought the seed had to be protected from the weather in curing it, and it was put into large barns and stirred and turned with pitchforks daily for some two weeks until thoroughly dried, as the sappy seed, if not stirred, will get so hot as to kill the germ and will produce spontaneous combustion.

Some fifteen years ago, however, R. B. Hutchcraft, of this city, in curing a lot of seed near Centerville, this county, and not having barn room for it, tried the experiment of curing a small quantity outside. The experiment succeeded so well that Ford Brent, also of this city, the following year cured a large quantity of seed in the open fields, and since that time all persons who handle bluegrass seed in large quantities cure it in the open air, as it is claimed that it cures better and more quickly than under cover.

A sloping ground is usually selected, so that the water will drain off, and it is prepared by simply mowing the grass, after which it is ready for the seed, which is piled in long windrows about two and a half feet high and extending in parallel lines up and down the hillside.

A force of hands is put to work and these windrows are turned over with forks daily and shaken apart, so that the air gets to all the seed. This process is kept up until the seed is dry enough to sack without fear of heating, which usually takes about ten days, more or less, according to the weather.

It is a singular fact that, fluffy and loose as the seed appears in these windrows, the heaviest rains will not penetrate it more than one inch or less, but runs off as it does from a roof, and a few minutes of sunshine after a hard rain will leave the seed as dry as before the rain.

It is this fact that makes the curing of the seed outside possible, and none who handles bluegrass seed largely ever thinks now of curing it under cover.

When sufficiently dry the seed is taken up and sacked and is ready for storage in warehouses until the time comes to clean it, or to separate the seed from the hull just as the cleaned wheat is separated from its hull or chaff by running it through a thresher.

The machinery used in cleaning bluegrass seed is expensive, the more so because so few machines are needed to handle the seed output, there being only about seven cleaning plants in the bluegrass, three of which are located in Paris, one in Mt. Sterling one in Winchester one in Georgetown and possibly one in Lexington.

These plants prepare for market the entire bluegrass output most of the seed in fact being produced in a few counties in Central Kentucky known as "The Bluegrass Section." It is one of the most valuable crops of this rich and highly favored section since when the fields are once set in grass it reproduces itself annually without toil or expense to the farmer and to the constant enriching of the soil.

One Bourbon county farmer sold this year to seed speculators the right to gather seed from eighteen hundred acres of land for \$10,250.

The enormous yield of the present season is unprecedented, and has attracted the attention of all the people of Kentucky to this industry.

It is now well known that not more than one case of rheumatism requires any internal treatment whatever. All that is needed is a free application of Chamberlain's Liniment and massage of the parts at each application. Try it and see how quickly it will relieve the pain and soreness. Sold by all dealers.

## Be Happy!

Happy the girl, or woman, who has never suffered from any of the diseases of womanhood! Or, if she has been a sufferer, happy is she if she has learned of the wonderful benefits of Cardui, the woman's tonic!

Cardui is a gentle, tonic remedy, for women's ailments. It is a natural medicine—safe, harmless, purely vegetable. It has been in successful use for more than 50 years. It has cured thousands. It should do the same for you.

## TAKE CARDUI The Woman's Tonic

Mrs. Mary Neely, of Denver, Tenn., says, "I think there is no tonic on earth, as good as Cardui. I used it with the very best results. I had backache and nearly everything a woman could suffer with, until I took Cardui. Now, I feel better than I have for two years. I shall always recommend Cardui to other suffering women. I can't praise it too highly. As a medicine for weak, tired, worn-out women, Cardui is safe and reliable. Try it, today."

### STOCK, CROP AND FARM NOTES.

—MT. STERLING COURT—A good crowd was in attendance at Mt. Sterling court, Monday. About 4,000 head of cattle were on the market, of fairly good quality. Trade was a little slow in the early hours, but later the demand increased and sales were kept busy. The best 1,000-lb. oxen sold at 5 1-2 cents; the best 800-lb. steers sold as high as 6 1-4 cents; yearlings at from 5 1-2 to 6 cents; heifers, from 5 to 5 1-2 cents; cows, from 3 1-2 to 5 cents; bulls at 4 cents. Few mules were on the market and few sales were made. One pair of mules sold at \$290, while several single mules changed hands at from \$65 to \$150. A number of horses were offered and a number of sales made from \$40 to \$75, with some fair ones selling at \$125 to \$150. One or two fancy horses and geldings sold at from \$200 to \$250.

—There was small crowd and little business at Georgetown court Monday.

—The farmers of Nicholas county have organized a stock company, and are preparing to embark in the general merchandise business in Carlisle. The name of the corporation will be The Nicholas Farmers' Mercantile Company. U. M. Thompson, Abram Bays, J. M. Donnell, S. C. Kenton, and A. W. Hostetter are named as the incorporators.

There is no real need of anyone being troubled with constipation. Chamberlain's Tablets will cause an agreeable movement of the bowels without any unpleasant effect. Give them a trial. For sale by all dealers.

### Would Restore Blue Lick Springs

Wells will be sunk to a depth of 1,600 feet at Blue Lick Springs, where machinery is now being placed to work in an effort to restore the old-time strong vein of the famous Blue Lick mineral water there, which has been failing. The machinery is being put in place and drilling will begin this week.

A sprained ankle may as a rule be cured in from three to four days by applying Chamberlain's Liniment and observing the directions with each bottle. For sale by all dealers.

### Drives Off a Terror.

The chief executioner of death in the winter and spring months is pneumonia. Its advance agents are colds and grip. In any attack by one of these maladies no time should be lost in taking the best medicine obtainable to drive it off. Countless thousands have found this to be Dr. King's New Discovery. "My husband believes that it has kept him from having pneumonia three or four times" writes Mrs. George W. Place, Rawsonville, Vt., "and for coughs, colds and croup we have never found its equal." Guaranteed for all bronchial affections. Price 50 cents and \$1.00. Trial bottle free at Oberdorfer's.

When your child has whooping cough be careful to keep the cough loose and expectoration easy by giving Chamberlain's Cough Remedy as may be required. This remedy will also liquify the tough mucus and make it easier to expectorate. It has been used successfully in many epidemics and is safe and sure. For sale by all dealers.

### Contract let for Executive Mansion.

The Capital Lumber and Manufacturing Company, of Frankfort, has been awarded the contract for building the new State executive mansion, being the lowest of four bidders for the work.

### Go to Buck's.

For a nice bath, hair cut or shave go to Buck's barber shop. Three first class barbers. 13 tf

### 900 Pension Applications.

Nine hundred applications for pensions under the new act granting allowances to veterans of the Confederacy have been filed with Pension Commissioner Stone, at Frankfort and scores are being received every day. No way has been found yet to estimate how many applications will be made. The State Board which has charge of the distribution of pension money will decide who are entitled to pensions. The first payments will be made on August 5.

Each age of our lives has its joys. Old people should be happy, and they will be if Chamberlain's Tablets are taken to strengthen the digestion and keep the bowels regular. These tablets are mild and gentle in their action and especially suitable for people of middle age and older. For sale by all dealers.

### Good Men in Blue Grass.

The Louisville Post says: "President Neal, of the Bluegrass League, arrived Tuesday morning from a visit to the friend of his circuit, and expressed himself as perfectly satisfied with conditions as he found them there. 'Plenty of good men are to be found in the Bluegrass this year,' he said, 'and I confidently expect it to break all records for Class D leagues in the sale of players. Three men have already been purchased by major league clubs and they didn't get them for newspaper money. Cramer, Weisman and Eddington cost those clubs a good stiff price, but they were willing to pay it. Scouts are up there right now looking over four men and it wouldn't surprise me in the least to find that they had been sold. The men I refer to are Basch, of Lexington; Grover, of Maysville, and Donica and Giddo, of Frankfort. They are all good men and are bound to go up this season.'"

### Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

## Notice to the Public.

It is well to anticipate the possibility of typhoid fever. Then, boil all water used for domestic purposes, and put yourself on the safe side. An ounce of prevention, etc. Presume your water supply to be bad until you know it to be good. This can only be brought out by analysis.

## The Difference.

Men think most of the present—the immediate; and rightly, their calling being to do and to work. Women, on the other hand, more of how things hang together in life; and rightly, too, because their destiny—the destiny of the families—is bound up in this interdependence, and it is exactly this which it is their mission to promote. —Goethe.

## MILLERSBURG ITE S.

One of the prettiest weddings seen here in a long time was that of Miss Lula Bruce McNamara, the only daughter of Mrs. P. L. Dimmitt, to Dr. J. D. Calhoun, of Ringo, Ga., which was solemnized last night at 8 o'clock at the Christian church.

The church began filling early and long before the time for the services all of the available space was occupied and many were unable to gain admission. The church was beautifully decorated, the pulpit being banked with palms and ferns intermingled with large brass vases of roses and lilies, behind which was stationed the organ, at which Prof. McDowell, of Columbus, O., presided.

The ceiling was draped with smilax and the color scheme was carried out in the large wedding bell made of pink and white flowers, the clapper of the bell being a frosted electric light globe beneath which the happy pair were united.

At the appointed time the bridal party entered the church in the following order. Right aisle, little Master Edward Hurst, as flower boy, Mr. C. P. Fisher and Miss Sophia Broadhag, Mr. W. E. Powell and Miss Fanny Jones, followed by the groom, Dr. J. D. Calhoun, on the arm of his best man, Dr. Myers, of Chattanooga, Tenn. Left aisle, little Miss Elizabeth Allen, as flower girl, Mr. Mack Grimmes and Miss Jennie Maurie Pepper, Mr. J. Allen Ingels and Miss Calhoun followed by the bride on the arm of her dame-of-honor Mrs. McDowell, of Columbus, O. The party entered to the beautiful strains of Lohengrin's bridal chorus rendered by Prof. McDowell.

The whole formed a beautiful group about the altar where they were met by Dr. Porter, pastor of the First Baptist church, of Lexington, who in a beautiful and impressive ceremony pronounced the words which made them one for life. The bride and her attendants were handsomely gowned. The bride carried a large bouquet of white roses, the matron-of-honor a shower bouquet of pink roses and pink sweet peas, the four maids each carried a bunch of pink roses tied with pink chiffon.

Mrs. C. M. Best who rendered two beautiful selections during the ceremony carried pink roses. After the ceremony the bridal party returned to the home of the bride where congratulations were extended by Mr. and Mrs. Calhoun leaving shortly after in an automobile for a short bridal trip and will be at home to their friends after July 3.

Miss McNamara is the only daughter of Mrs. P. L. Dimmitt, and is an attractive and accomplished young lady, a graduate of the Millersburg Female College, also of the Cincinnati Conservatory of Music. Dr. Calhoun belongs to one of the most prominent families of Ringo, Ga., and a descendant of the eminent statesman, John C. Calhoun. He is a rising young physician, a graduate of several institutions, and will practice his profession on his return to Millersburg. He will occupy the property of Mr. A. J. Thaxton, on the southeast corner of Sixth and Main streets. This young couple begin life under very auspicious circumstances, surrounded by all the comforts of life with a large circle of friends and acquaintances. Each is certainly to be congratulated for the good fortune in store for them and may their future continue as bright as it has begun is the wish of all who know them.

Mr. and Mrs. P. L. Dimmitt entertained Tuesday afternoon and evening with receptions in honor of the approaching nuptials of their daughter Miss Lula Bruce McNamara to Dr. J. D. Calhoun, the groom-to-be of Ringo, Ga. It was decidedly the most elaborate social event of the season. A large number of invitations were out, but owing to the light rain of the afternoon and evening some were prevented from going who otherwise would have gone.

The home lies about a mile out of town on the Jacktown pike. It is an ideal country place nestling behind a clump of forest trees. The avenue from the pike to the residence, with its overhanging trees is suggestive of comfort and plenty. Automobiles and carriages were kept busy in carrying the guests from town both in the afternoon and evening. The afternoon guests were invited from 2 to 5 being divided into two parties of an hour each. The evening guests were made up of the young people and they were invited from 8 to 12. The orchestra was stationed in the rear of the front hall, all of them artists from Paris, made up of Misses Essie and Goldie Soloishin, Messrs. Wm. Talbott and Prof. J. S. Johnson rendered delightful music. The guests were received at the front door and ushered into the presence of the receiving line which was made up as follows: Mr. and Mrs. P. L. Dimmitt, Dr. J. D. Calhoun, Miss Lula McNamara, Mr. Myers, Miss Calhoun, Prof. and Mrs. McDowell, Mrs. C. M. Best, Miss Jennie Maurie Pepper, Miss Broadhag and Miss Nancy Jones. The receiving line of the evening was made up of the wedding party; Mr. and Mrs. P. L. Dimmitt, Dr. J. D. Calhoun, Miss Lula McNamara, Mr. Myers, Miss Nancy Jones, Mr. Wm. Powell and Miss Broadhag. From the parlor the guests were ushered into the reception room where the register was presided over by Misses Newell and Myers, Mrs. W. O. Ingels assisting in the entertainment.

The spacious dining room was a thing of beauty. It was presided over by Mesdames J. B. Cray and W. S. Judy. The large center table contained two handsome brass vases filled with pink and white roses with a handsome candelabra in the center, while on the opposite corners were handsome cut glass dishes of pink and white mints, the color scheme, pink and white being thoroughly carried out. Pink and white brick cream with cakes was served. From here the guests passed into the back hall stopping at the frappe table, which was presided over by Miss Callie Lee McNamara and Miss Calhoun. The guests were then shown to a room where they inspected the wedding gifts, which were numerous and costly.

The home was darkened throughout, softly illuminated. The decorations were elaborate and handsome. Cut flowers and potted plants were in evidence everywhere, which were

furnished by Kelly & Current of Lexington, Mr. Current personally superintending the decorating. At the evening reception dancing was indulged in and on the whole it was one of the most elaborate social events witnessed in Millersburg in many years. The souvenirs were pink and white. Following is a list of out of town guests, who were present at the reception and will remain over for the wedding: Misses Jessie and Elizabeth Calhoun, Ringo, Ga., Mr. Myers and sister, Chattanooga, Tenn., Miss Broadhag, Winchester, Miss Mary Newell, Maysville, Prof. and Mrs. McDowell, Columbus, Ohio.

Mr. J. C. Leer was in Louisville on business Tuesday and Wednesday.

Miss Lucille Daily left Thursday for the Ozark Mountains. She goes as the guest of her aunt, Mrs. Salisbury, of Covington.

Mrs. Mattie Purnell and daughters, Misses Bessie and Mary Agnes Purnell, returned Monday after a few days visit to Mrs. Frank Collier at Paris.

Mrs. Hinton, of Oklahoma, arrived Monday as the guest of her sister, Mrs. Minnie Hurst. She has been with her parents, Mr. and Mrs. Ed. Cochran, at Elizaville, for several weeks.

The post office was visited by an inspector Tuesday and Wednesday. He was here to give the necessary instructions looking to the establishment of a postal savings department, which will be opened July 1st.

Mrs. Naoma Vimont who has been here since the death of her husband, Mr. A. T. Vimont, left Tuesday for her home in Colorado, accompanied by her mother-in-law, Mrs. Lavina Vimont, who will spend the summer with her.

Dr. Aiken, of Flemingsburg, was here in consultation with Dr. C. B. Smith Wednesday as to the condition of Mr. R. C. Chanslor. Mr. Chanslor was taken to the Good Samaritan Hospital, Cincinnati, Thursday, for treatment.

Miss Ruth McClintock, who sails for Europe in a few days, has been the recipient this week of a number of small social events. Wednesday evening Miss Dorothy Peed entertained at cards in her honor; Thursday Miss Alfa Ball entertained with a dinner party, and this evening the Misses Purnell will entertain.

The South bound passenger train due at Millersburg at 2:51 p. m., collided Tuesday afternoon with a hard car just south of the bridge. The car was manned by two or three workmen, but for some reason they were not aware of the approaching train and did not have time to remove it from the track. The car was completely demolished.

## TEDDY THREATENS BOLT

(Continued from Page 1.)

between noon and 4 p. m. There is many people in evidence lunching from hot lunches. Nearly all the seats in the gallery are filled already, although the delegates' section looks deserted.

2:45 p. m.—There is a rumor afloat that the Committee on Credentials adjourned at 1 o'clock till 2:30. As to considering the Alabama contest, if it should develop to be the case, the probabilities are that the Credentials Committee will have an all night session, and the convention will adjourn until an early hour tomorrow morning, immediately after convening.

3:00 p. m.—It is reported that the Committee on Permanent Organization refuses to organize until after the Committee on Credentials is ready to report. It is said that seven of the number of this committee walked out of the meeting room. It is also rumored that the Committee on Credentials has reached and is now considering the Arizona contest case.

3:15 p. m.—A hard shower broke over the vicinity of the Coliseum while the streets were jammed with people waiting to get into the building.

3:30 p. m.—The hall is now just filling with delegates, the spectators' seats already being filled. The rumors that immediate adjournment will be taken still persists, one being an adjournment until 8 o'clock this evening, another to-morrow morning.

3:45 p. m.—As Chairman Root entered he was greeted with applause.

3:50.—The convention is called to order by Chairman Root.

4:00 p. m.—Chairman adjourns the convention until 11 a. m. to-morrow.

4:05 p. m.—Immediately after the adjournment some of the delegates started the cry "We Want Teddy." The spectators took it up and the hall is in a turmoil.

## BRIEF SUMMARY OF CONVENTION SESSIONS.

Tuesday—Elihu Root chosen as Chairman of the convention over Gov. McGovern, the choice of Col. Roosevelt for the Chairmanship, by a vote of 558 to 502.

Wednesday—Col. Roosevelt's forces in the Republican National Convention were defeated again Wednesday, the issue being whether the ex-President's test of delegates should be substituted for certain delegates seated by the National Committee. The Taft forces won by a vote of 562 to 510. During the proceedings in the Convention a remarkable demonstration in behalf of Mr. Hadley, of Missouri, took place, which seemed to threaten a stampede to him. The enthusiasm was stemmed by a counter Roosevelt movement. The Roosevelt members of the Credentials Committee bolted that committee twice, returning after the first time on advice of their chief, but retiring again definitely shortly after.
